## Fog, Wet Pavements, Rush Cause 29 Crashes

7 Injuries this Week;  
One Driver Hurt in 7-  
Car Pileup in Fog

The fog which blanketed portions of the Quad-Cities this week—combined with high humidity, wet pavements and the holiday rush—jumped the area's six-day accident over-rate to 29, the highest and most severe in seven injuries.

One driver was injured in a chain reaction collision involving seven autos in the fog at 9 a.m. Tuesday on Highway 162 at the Granite City Steel Co. blast furnace site.

The driver, St. Elizabeth Hospital was Mrs. Mary Hooper, who was treated for pains in the left forearm and back and was released. Two other drivers involved were William Ruddy of Troy and Tess Lane of Edwardsville. The other four drivers left before state troopers arrived.

Robert A. Kraus, 27, of 2647 Madison avenue, was injured when his car skidded on wet pavement at Sixth street and Madison and careered into the utility room of a residence. Kraus said he was making a turn. The pole was knocked down. Kraus was charged with destruction of city property and posted bonds of \$500.

Edna Dolores Carney, 32, of Rural Route One, was injured when her car was struck in the left rear door and side of the car by a car driven by Ora G. Tindall, 21, of 1121 W. 11th and Weddell at Edwards and Kato streets. Tindall said he applied his brakes, but the auto skidded. She was treated at St. Elizabeth Hospital for knee and head injuries.

A five-year-old child received minor injuries and two autos were damaged at 9:50 p.m. Tuesday at the intersection of Kato and Kato, 10th and 11th, in an accident driven by her father, Forrest D. Ohear, 25, of 2026 Alton street. Both Madison and Venice have had recent accidents on wet pavement and collided into the rear of another at Edwards' Villa Road and McCambridge avenue in Madison. McCambridge was driven by William C. O'Neil, 46, of 1009 Washington Avenue, Madison, was injured at 2 a.m. Wednesday and the right front of his car was damaged extensively when it crashed into the side of a Terminal Railroad train at the South Fourth street crossing.

Georgeff was taken to St. Elizabeth Hospital where it was reported he suffered a severe cut in his right foot which was known out. He was admitted for further treatment. Police said the train engineer was M. R. Knight. The train was headed west and Georgeff was driving east.

Walde E. Mott, 55, of 2602 East 28th street, was injured when his car struck the right side of another driven by Mrs. S. Wetter. Collisions at 5:20 p.m. Monday at Jesien avenue and Kato street.

Mott bumped his head on the windshield and was treated and released at St. Elizabeth Hospital. The Wetter woman said she made a stop at Jersden and then proceeded, believing that a solid stop sign was a permanent stop. Mott's car was towed away.

## BIRTHS

Births recorded at St. Elizabeth Hospital:

### GIRLS

Mr. and Mrs. Jerry Stanton, 2605 Morristown, Dec. 21, Sherry Elizabeth, six pounds, 13 ounces.

Mr. and Mrs. Andrew Nicholas, Collinsville, Dec. 21, Kristie Ann, six pounds, six ounces.

### BOYS

Mr. and Mrs. Luther Mathenia Jr., 2224a East 24th street, Dec. 21, Louis Charles, seven pounds, 12 ounces.

Mr. and Mrs. William Mitchell, 2226 Briarcliff, Dec. 22, Vincent Lee, six pounds, seven ounces.

Mr. and Mrs. John Pellezzi sr., 12204 Madison avenue, Madison, Dec. 23, seven pounds, 14 ounces.

## Side Skirmish Over Filters

A side issue in the sewage treatment plant filter controversy developed this week when Alderman Charles Moerlien, chairman of the Special Pollution committee, disclosed that Alderman Walter Nunn had telephoned him to say that he (Nunn) had been told by Mayor Alvin Fields of East St. Louis "to be for the Komin-line sanderson filter."

Nunn emphatically denied the statement when asked about it Tuesday night by a Press-Record reporter. "I never said it, and I never talked to Fields. If you print it, I'll sue you."

Fields, a plumbing contractor, has a subcontract for the Granite City treatment plant.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

## State Water Board Seeks Action by Madison, Venice

The Illinois Sanitary Water Board has instructed the cities of Madison and Venice to determine immediately if they will participate in the East Side Levee & Sanitary District's proposed sewage treatment works at Edwards and Kato streets.

If the cities decide against participation, the board ordered the city officials to attend a conference in St. Louis on Jan. 10 to meet with the district to determine what action should be presented to the board for failure by the city to provide adequate sewage treatment required for the community.

Both Madison and Venice have agreed to provide the public with wet pavement and collated into the rear of another at Edwards' Villa Road and McCambridge avenue in Madison. McCambridge was driven by William C. O'Neil, 46, of 1009 Washington Avenue, Madison, was injured at 2 a.m. Wednesday and the right front of his car was damaged extensively when it crashed into the side of a Terminal Railroad train at the South Fourth street crossing.

Georgeff was taken to St. Elizabeth Hospital where it was reported he suffered a severe cut in his right foot which was known out. He was admitted for further treatment. Police said the train engineer was M. R. Knight. The train was headed west and Georgeff was driving east.

Walde E. Mott, 55, of 2602 East 28th street, was injured when his car struck the right side of another driven by Mrs. S. Wetter. Collisions at 5:20 p.m. Monday at Jesien avenue and Kato street.

Mott bumped his head on the windshield and was treated and released at St. Elizabeth Hospital. The Wetter woman said she made a stop at Jersden and then proceeded, believing that a solid stop sign was a permanent stop. Mott's car was towed away.

This in turn has reduced the overall cost of the project to the local districts and to each company and each sewer user.

The water board noted that a federal grant has been made available to the Levee district in the construction of the Lanesville sewage treatment plant with Komin-Sanderson Co. officials for comparable operating cost figures, and that over a period of 20 years, the \$27,700 annual cost savings to the Levee district will be more than offset with the K-S plant cost.

However, of an estimated cost of more than \$60,000 in electrical power and water is to be reviewed by Moerlien, who said he had data that showed chemical costs for the sanderson filter were higher than those of the cloth filter.

Engineers to Review Statistics

He plans to call upon the local

## Council Delays Decision On Filter

Technical Data to be Studied; Mayor's Order Challenged by Moerlien

A showdown vote on filter equipment for Granite City's sewage treatment plant was stalled Tuesday night by the city council during a carryover meeting from Monday.

Moerlien, who has been nominated for the Granite City treatment plant by Aldermen Sternberg and Alderwoman Beinecke, held the vote Tuesday night on a resolution submitted by Alderman Charles Moerlien, chairman of the Special Pollution committee, to call for new bids to be sought from the manufacturers of the stainless steel sanderson filter and the synthetic cloth filter to meet specifications set by local industrial engineers who recommended the equipment be more resistant to corrosion.

Moerlien was called for because three aldermen were absent Tuesday night. He had been absent since Monday night when a vote was taken on a resolution to postpone the vote on filter equipment until a carryover meeting on Monday night.

Moerlien held the motion for filter bids Monday night.

Moerlien said that he had told the city he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

Moerlien said that following Tuesday night's council meeting, he overheard Nunn remark to Alderman Betrice, "Now we'll have Moerlien."

"I told Walter to tell the truth; that he had told me he would be for the committee's recommendation and then telephoned me to say he had agreed against the committee," Moerlien told the Press-Record.

MISS VIVIEN AMTMANN, whose parents, Mr. and Mrs. Joseph Amtmann, 2204 Glen drive, are announcing her engagement to Dr. Carl D. Reiman, D.C., a son of Mrs. Marie Reiman and the late James Reiman of Muphysboro, Ill.

HOME FROM SCHOOL

Willis Bowers, a senior at Monmouth College, Monmouth, Ill., is home to spend the holidays with his parents, Dr. and Mrs. W. W. Bowers, 2646 Cleveland in the living room.

## Miss Amtmann Is Engaged

FORMER RESIDENTS HERE  
Mr. and Mrs. Wayne Biedenbach, formerly of the Douglas and Leslie, Jacksonville, Ga., arrived this week to spend the holidays with their daughter, Mrs. Fawn Kivin, 2641 Edwards street, and other relatives here.

Mr. and Mrs. Ony M. Pashea, 2515 Sheridan avenue are announcing the engagement and marriage of their daughter, Mrs. Dolores Marie Pashea, to Thomas F. Loyet, a son of Mr. and Mrs. Oscar Loyet, 2405 South 10th street.

The bride-to-be was graduated from St. Theresa's Academy in East St. Louis and is presently employed as a secretary in St. Louis.

A spring wedding is planned.

Mr. and Mrs. Harold Harbin, formerly of Granite City and now residing in Rockford, Ill., are here for the weekend in Granite City visiting Mrs. Harbin's brother and sister-in-law, Mr. and Mrs. Duane Elhardt, 101 Harvard, and Mrs. Harbin's sister-in-law, Mr. and Mrs. Garth Harbin and son Darrell. They left Monday morning for West Plains, Mo., to visit Christmas with Mrs. Harbin's parents and other relatives and friends before returning home.

Mrs. Olive Nelson, a sister-in-law of Mrs. Ann Robertson and an aunt of Mrs. Linda Anderson, both of Granite City, died Tuesday evening at her home in High Ridge. Mrs. Interment will be at Dixon, Mo. Saturday.

Gary Wright, son of Mr. and Mrs. Harry Wright, 2020 Twelfth street, is spending a vacation at home from the University of Illinois, where he is a freshman.

Junior Girl Scout Troop 43 met Monday afternoon at the home of Mrs. Lester Justice, 2632 Logan avenue, and with the co-leader, Mrs. Pearl Welsh, for their annual craft and awards ceremony. The girls held a "Scouts' Own" candlelight ceremony in which each lit a candle on the scout board and recited the scout law.

Beads earned over a long period of time were awarded to Pamela Cross, who received four; Neila Walton, five; Connie Barnes, six; and Connie Richardson, eight. Four-year service pins were awarded to Marcella King, Paul Cross, Neila Walton, Cecilia Barnes and Neila Walton, received the "sign of the arrow." Patrol Leaders Connie Richardson, Neila Walton and Pamela Cross received shoulder cords. They closed the ceremony with "Taps" and prayer.

Other present were Beverly Bishopp, Patricia Bishopp, Pamela Chronister, Sharon Griffith, Robin Smith, Deborah Woodford and Cynthia Wyatt.

They proceeded with a Christmas carol singing, Christmas carols, exchanging gifts and enjoyed refreshments in the leader's home, where the basement was decorated for the Christmas season. Linda Atwater returned home from the hospital Tuesday, and Mrs. Justice is to deliver her gifts from the troop.

WE HOPE THAT ONLY GOOD  
THINGS WILL COME TO YOU  
THIS CHRISTMAS DAY AND ALL  
THE MANY DAYS TO COME.

A Very Merry Christmas  
TO ALL OF YOU FROM  
ALL OF US.

## Shower Honors Bride-to-be

Miss Marjorie Smith, of Millstadt, Ill., a member of the faculty of the Maryville school and a bride-to-be, was honored Monday evening at a miscellaneous shower given by Miss Margaret Roberts and Miss Leila Cann at the home of Miss Roberts in East Alton.

Those present were Miss Sandra Elbs and Mesdames Norma Oram, Leslie Cann, Sam McGaughan, Irene Bertles, Helen H. Myrick, Paschal, Beverly Price, Arline Fox, all of Granite City, and Mrs. Rita Smith and Mrs. Robert Smith of Millstadt.

There were games for entertainment and prizes were awarded to Mrs. Rita Smith, Mrs. Fox and Mrs. Oram and Mrs. Rita Smith, third grade teacher, will be married Jan. 23 in Millstadt to William L. Cox of Dayton, O.

## Opti-Mrs. Club Annual Yule Party

The holiday-decorated home of Mrs. Carl Raft, 2650 Delmar avenue, was the place of meeting Monday for the Monday Opti-Mrs. Club with the annual Christmas party of the group was held. Mrs. Raft's assisting hostess were Mrs. Otto Rommel, Mrs. Arthur Roseman and Mrs. Rita Smith.

A 1 o'clock luncheon was served from tables adorned with evergreen garlands and candles and a lighted Christmas tree stood in the living room.

Mrs. Paul Harshman, president served a brief business session following the club's election by Mrs. Leonard Bell, president.

Among the pre-holiday entertainment announcements is that of Miss Vivien Amtmann, a daughter of Mr. and Mrs. Joseph Amtmann, 2204 Glen drive, and Dr. Carl D. Reiman, D.C., a son of Mrs. Marie Reiman and the late James Reiman of Muphysboro, Ill.

The bride-to-be is a graduate of Granite City High School and is now attending a modeling school in St. Louis. Dr. Reiman is a graduate of Missouri Chiropractic College, is serving in the Army Reserve Corps with the 30th General Hospital, San Antonio, Tex.

The wedding will take place in the spring.

Prizes for the afternoon went to Mrs. Theodore Aufderheide, Mrs. Bickel, Mrs. Russell Johnson, Mrs. Harry and Mrs. Spangler, Mrs. George Reeves, Mrs. Leo Roman, and Mrs. Herman Mueller. Twenty-eight

other members exchanged gifts.

Mrs. Eva Meier, regional director of the meeting opened with the pledge to the flag and prayer. Mrs. Meier read the message of Mrs. R. E. Duncan, president, and when the group was dismissed, Mrs. Meier wished that each member work for historical preservation, the promotion of education and patriotic endeavor.

Mrs. Lucile Conner gave several Christmas stories, closing with the story of the Gospel of St. Luke. Carols were sung by the group before dispersing.

Prizes were given in January with Mrs. Thelma Haven, 2221 Cleveland blvd. Fourteen members and a guest, Miss Helen Korb, attended Monday's party.

BETROTHED. Miss Dolores Marie Pashea, whose engagement to Thomas Frank Loyet, a son of Mr. and Mrs. Oscar Loyet, 2405 Iowa street, is announced by her parents, Mr. and Mrs. Ony M. Pashea, 2515 Sheridan avenue.

## DAR Yule Party At Wilcox Home

The Misses Anna and Jeanie Wilcox of Venice entertained Mrs. Kathleen Tadlock, 1517 St. Drucilla Andrews Chapter, Clair avenue, for a Christmas party.

The home was adorned with Christmas lights and evergreens, and the holiday theme was carried out in the appointments.

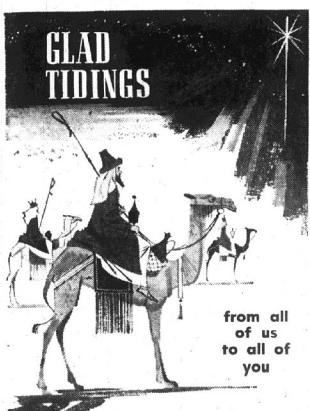

The rooms were decorated with the theme and colors from the country home of Miss Clara.

Prizes were won by Mrs. Marlene, Mrs. Nora Kuntz and Mrs. Millie Meehan. Others present were Mrs. Ruby Horberger and Mrs. Irene Gray.

The group exchanged Christmas packages and many new names were drawn and plans were made for the next meeting with Mrs. Gladys Schutte, 3105 Jim Avenue.

## After 11½ Months, GC Now Has an Engineer

The firm of David J. Johnston & Associates was named public engineer for the city of Granite City, May Davis, who made the appointment Monday night, said the city is to start the city hall office daily with a registered engineer.

The engineer decided to name the engineer to assist him to Granite City, saying the same man may not be here every day. Several protests were made by aldermen that the same engineer should be retained, but he left a continuity on projects. Only Alderman Whitmer opposed

the appointment.

The public engineer post was created Sept. 1, 1963, with a \$5000 annual salary. Johnston submitted a bill two weeks ago for payment of \$4958, based on the \$8500 annual going rate to May.

Payment was held, and the bill was referred to the Finance committee two weeks ago, and a ruling by City Atty. George E. Ford, Jr., Monday night, cleared the bill for the committee.

Johnston, who opposed the \$4,958 payment, said he still questions the legality of any payment with fees specified for review by the county auditor.

Fifield added that Johnston formerly had been the city's \$5,-

## March of Dimes Drive Will Begin on Jan. 2

The annual March of Dimes campaign in the Quad-Cities will begin Jan. 2. It was announced today by Mrs. Niles Bigley, who is county campaign chairman.

In addition, Mrs. Betty Walls of Granite City who is heading the Mothers' March by hundreds of volunteers in the county, said the home-to-home solicitation will be made on Monday, Jan. 23, from 10 a.m. to 10 p.m.

Both campaign leaders pointed out the campaign funds will fight crippling birth defects and not only to aid in research to find means of curing the causes, but also to finance centers and clinics to provide medical care for birth defect children.

**Leo Leonard, 51, of  
Edwardsville, Dies**

Funeral services were held in Edwardsville Tuesday morning for Leo Leonard, 51, who died at St. Elizabeth Hospital in the city. Hospital officials, where he had been a patient ten days, buried was in Sun Hill cemetery, Edwardsville township.

Mr. Leonard was a brother of William Leonard, Granite City. He was a resident of Edwardsville 15 years and was employed at Wagner Electric Corp. St. Louis.

## County Deficit to Reach \$265,000

Madison county will end its 1964 fiscal year with a total deficit of about \$265,000 in operating costs, but actually will show a general fund balance due to the revenue from the tax increase during November amounted to \$147,833 compared to the October balance of \$134,946, due to the receipt of the 1964 tax money. He said an additional \$110,000 in tax funds will be received.

The auditor said income during the first 11 months of the year reached at \$1,747,300, and disbursements were \$1,682,500, creating a total of \$1,418,966, creating an expenditure deficiency of \$144,324 for the 11-months period.

The deficiency was offset, also by a balance of \$362,137 at the beginning of the year. This balance and the recent tax credit therefore left a balance of \$147,833 in the general fund as of Nov. 30, in spite of expenditures for excess income during the past year.

### Home for Christmas

George L. Williams, Navy freshman apprentice son of Mr. and Mrs. John H. Williams, 2911 Myrtle avenue, has arrived home to spend Christmas with his family. Williams, 18, was recently enlisted in July after graduating from Granite City High school, and is assigned to the destroyer, U.S.S. Willard Keith, based at Norfolk, Va.

### August Michel in Hospital

August Michel of Michel Bros. Grocery and Market, entered St. Elizabeth Hospital Monday to undergo a checkup and treatment. Michel, who was struck twice by an automobile while crossing Madison avenue, is still a patient there although recovering satisfactorily.

### Grand Jury to Convene

A new grand jury will be convened at the Madison county courthouse at 10 a.m. Dec. 4, the county state's attorney's office announced. About 24 criminal cases will be presented.

## Traffic Condition Red' Starts Tonight

The "Traffic Condition Red" alert conducted by Illinois State police and area police departments in an attempt to cut down the number of traffic accidents and driver and pedestrian cooperates in reducing damage on our roads.

### Efforts Redoubled

"Early this year I asked for the enormously increased driver vehicle travel and we are headed in a record direction in an attempt to cut down the deaths and injuries under extremely

number of traffic accidents and driver and pedestrian cooperates in reducing damage on our roads."

State police said the "Red" alert means canceling all leave or days off for state highway patrolmen, who will be accompanied in traffic control work by secretary of state investigators during the 78-hour period.

The "Red" alert was ordered by Gov. Kerner who previously had declared the Christmas Holiday Alert program beginning Dec. 15, to continue through Jan. 1.

The "Red" alert is conducted within the general holiday alert program for the specific 78-hour periods of the Christmas and New Year's weekends.

In statements issued in connection with a warning that traffic will be fully patrolled and speed limits and driving regulations rigidly enforced, Gov. Kerner said:

"During the actual holiday hours, I have ordered the Illinois state highway patrol to observe 'Traffic Condition Red' in the past," the governor said. "The Illinois traffic toll has been par-

driven more slowly in preparation for necessary stops."

"Slower driving in the winter will also better prepare drivers for the possibility of a child slipping in front of a car," the governor said. "Speed limits are the same. Type of weather but much more treacherous during the hazards of winter weather."

Statistics attributable to the holiday period will be gathered by the National Safety Council during the 78th Christmas period and the like period on the New Year's weekend.

During the Holiday period, Gov. Kerner requested all motorists to adjust their speed and driving regulations remembering that on drivers and pedestrians pavements, vehicles require every precaution as part of the greater distances in which to stop, and therefore should be safety campaign.

## Registration Jan. 4 For Next Night Classes

An earlier start than usual, Jan. 11, was announced today for the winter term of the adult education program at Granite City high school.

Registration will be held from 8:30 a.m. to 9 p.m., Jan. 4, 5, 6 and 7 at GCHS for both the regular night school courses and the Granite City Steel Institute sponsored jointly by the school district and Granite City Steel Co.

A new offering, chemistry, will be taught if 12 or more students are interested, according to M.

A. Wittevrongel, director of adult and vocational education.

Other major categories sched-

uled are: dependent children,

adult drivers, training, general

education development, an-

homemaking, bookkeeping,

comptometer, stenography, typ-

ing, chemistry, drafting, elec-

trical, transportation, machine

shop, sheet metal and welding.

# County Birthrate, Deathrate Show Increases in November

Vital statistics for Madison county for November show increases in both the birthrate and deathrate, but a decline in marriages. It was announced this week by Miss Eulalia Notz, county clerk.

The county's population was increased by 392 births, decreased to 352 for November 1963; and there were 157 deaths last

## GC Relief and Town Bills Total \$4941

Township disbursements totaling \$4941 for relief and town purposes were approved Monday night by Granite City commissioners in their capacity as the town board of auditors. Of the total, \$3494 was for relief and \$1446 for town purposes.

A breakdown of the relief expenses shows \$3143 for a pension for a widow, \$250 for missile subsistence, \$211 for rent, \$22 for utilities, \$64 for fuel and \$455 was paid to National Guard relief for relief corps. Administrative costs were \$495 for half-month salaries, \$25 for case-worker travel, \$101 for employee retirement, \$31 for insurance, \$70 for telephone service, there was an expenditure of \$45 to provide transportation for a family.

The town hall disbursements includes \$162 half-month salary for Supervisor Nelson Hagnauer, who also received \$50 travel allowance; \$300 half-month salary for Assessor Von Dee Clegg, who also received \$50 travel allowance; \$880 in salaries for employees and deputy assessors; \$24 for iterator service for the assessor's office; \$63 for telephone service; \$63 for supplies and \$14 for employees retirement.

### Local Youth Trainees

Seaman Recruit Gerald L. Brinkley, 19, USN, son of Mr. and Mrs. William W. Broadwater, 2160 Logan street, is currently taking a nine week basic training course at the Great Lakes Naval Training Center.

On completion of his course, Brinkley will be assigned to a service school for technical training, or to a ship or shore station for basic job training in a Navy rating specialty.

## McKinley Bridge Revenue During Year \$1,498,994

The McKinley toll bridge operated by the city of Venice had a total of \$1,498,994 during the 1963-64 fiscal year ending last Sept. 30—\$1,498,994 in operating revenue and the annual toll bridge audit held at the beginning of the year according to the annual bridge audit filed with the Venice city council.

The audit showed disbursements of \$1,456,231 for all purposes, including bond payments and sinking account funds leaving a Sept. 30 cash balance of \$242,949.

From this balance, \$100,000 was distributed to the city of Venice for its share of the proceeds. The bridge audit for the year ended Sept. 30, 1965, fiscal year, with a cash balance of \$142,949.

Receipts during the year included \$943,900 in toll collections, \$254,183 in auto bridge tickets, \$47,300 in train bridge tickets, \$230,500 in railroad rental, \$3012 in leases, easements and contracts, and \$28,466 miscellaneous.

### Bond Returns

Disbursements against bridge revenue included a \$278,200 item applied to the operating and maintenance fund, \$157,573 to the Series A bond interest account, \$306,106 to the Series A bond retirement account, \$7640 to Series A bond debt service, \$80,000 to the replacement and improvement reserve account, \$80,000 to the reserve fund and \$229,00 to the reserve fund for series B bonds and series C bonds account, a sum of \$156,529.

The bridge operation and maintenance fund began the year with cash balance totaling \$175,723, which was transferred to \$278,200 from the revenue fund and several miscellaneous items, leaving the account \$472,720 for operating purposes.

Upon completion of this fund total \$278,439, leaving a balance of \$194,280 in this fund as of Sept. 30.

### 1965 Missouri Taxes

Operational expenses included, among the larger items, payment of \$73,095 in taxes, payment of \$46,208 in property insurance, \$61,524 in salaries to all collectors, \$20,125 in office salaries, \$9954 in salaries to maintenance, employees and \$15,880 in advertising expenses.

A breakdown of bridge traffic for the fiscal year shows a total of 4,876,684 vehicles traveled over the bridge during the year ending Sept. 30, compared to 4,844,594 using the bridge the previous year. This was a traffic decrease of 6910 vehicles or a tenth of 1%.

The traffic in any single month was during August, when 430,453 vehicles used the bridge.

Although this was a daily average of 13,686, during June, 14,564 vehicles used the bridge for average daily traffic of 14,152 vehicles.

The bill, prepared by Mr. Bob H. Alford, 1001 E. St. Louis, has been approved by the council and filed.

### \$966 Excess Fees Reported By Coroners Billing

Coroner Dr. W. W. Billings' offices showed excess fees of \$966 for the six-month period ended Aug. 31.

Billings' receipts were \$8408, while expenditures amounted to \$7542. The excess fees have been applied against the deficiency in salary of \$6242, leaving \$5276 due the coroner.

## Col. McMahan Plays Key Role in Thailand

Lt. Col. Charles R. McMahan of Madison is playing a key command role in the aerospace communications network of the U.S. Air Force at Don Muang Air Base, Thailand.

He is commander of the 1963-64 Communications Squadron there. The unit operates large communications center and maintains radio and telephone communications in support of Air Force, Army and Navy activities conducted in cooperation with the Royal Thai Air Force.

Col. McMahan, son of Alderman Mrs. Charles R. McMahan, 1880 Sween Street, Madison, was assigned to Thailand after completing another assignment Oct. 31 at Randolph Air Force Base, Texas.

In world war Two, he flew

P-40 planes with the 57th Fighter Group in 1943 in the European Middle East area. He flew one back to the U.S. after being shot down and later became

one of the first to be promoted to captain in the Mediterranean after escorting B-25 bombers safely off their bases. He was promoted to major in 1944.

In 1945 he became a flight commander pilot at Shaw Air Force Base, South Carolina.

After graduation from the Air Force Academy, he became a flight commander pilot at Shaw Air Force Base, South Carolina.

He was promoted to captain in 1951 and to major in 1953.

McMahan has been assigned to the 1963-64 Communications Squadron at Don Muang Air Base, Thailand.

In 1951 he was promoted to captain in 1953.

McMahan has been assigned to the 1963-64 Communications Squadron at Don Muang Air Base, Thailand.

# Statistics Reflect Fortunes of Prep Basketball Teams

According to won-lost records and statistics, the Venice Red Devils have had the best success among the three Quad-City high school basketball teams in the pre-Christmas portion of the season.

The Devils, coached by Bill Ohlendorf, have an 8-1 mark including seven straight victories—second longest winning streak among 31 prep squads in this area. They've averaged 74.1 points per game and have won two tournaments, the Rock Island-Macoupin Conference and the Highland St. Paul Invitational.

Madison's Trojans, under coach Earl McClanahan, own a 3-4 mark and have averaged 68.6 points. They're second best in the conference, however, after losing three games and wins ever since dropping their opener to Spartans.

After winning their first game at Roxana, the Granite City Fighting Warriors lost five straight Southwestern Conference contests although they came within a whisker of upsetting co-favorites Collinsville and Belleville. Coach McClanahan's team is averaging 55.3 points a game but is best among the three local teams in one important department, free throw shooting with 62% accuracy.

Last season, all three local teams had winning records with Venice's 19-5 and took the Mid-Illini Conference championship, and Granite City had a 14-11 mark while running third in the Southwestern loop.

## Dillon, Jackson Sparkle

Among players on the local teams, Venice's Percy Dillon and Rich Jackson—who moved over from Lincoln high—have a solid record and are setting the pace in rebounding with 16.1 and 15.8 average, respectively.

Dillon is also tops in scoring with a 21.7 average, followed by Madison's Paul Lusk (21.3) and Dale Turner (19.7), Jackson (17.7) and teammate Rich Essington (14.6), and Granite City's Vince Debe (13.1). Lusk is also averaging 13.1 rebounds per game.

Debe and Jackson have shown good accuracy from the field, each hitting 53% of their shots while Lusk has made 51% of his attempts. Several players, including Essington, who has made 38 of 51, have good accuracy records from the free throw line.

According to coach Jackson, Madison "needs improvement in its defense and some coming help for Lusk and Turner while Granite City is seeking higher field goal accuracy and more production from its front-court liners.

Venice appears sound in most departments but Ohlendorf would like his team to show more fire in the first half, avoiding reliance on derring-do second-half comebacks.

## Teams in Tournament

The Devils are inactive during the school holidays but the Warriors and Trojans will participate in tournaments which open Monday.

## First Triumph Notched By Coolidge Cage Team

Coach John Toncoff got a nice Christmas present Tuesday night when the Devils won their first game, 50-47, over Springfield's Paul Lusk (12), Carl Eidenour (12), Bob James (12) and Jeff Jones (9). Coolidge led 32-25 at half-time.

It was the team's first victory.

### HIGH SCHOOL YMCA, Park Plan Basketball Meets; Both Open Monday

Two basketball tournaments are scheduled next week in Granite City.

The YMCA plans a junior high tournament on Monday morning, senior night, Monday night and finals Tuesday night. Participating will be six teams from the Madison Junior League and the Junior YMCA.

The YMCA meet opens at 9 a.m. Monday with the Trojans playing the Falcons. At 10 a.m. the Bluejays meet the Raiders and at 11 a.m. the All-Stars tackle the Cougars.

The "Y" meet opens at 9 a.m. Monday with the Trojans playing the Falcons. At 10 a.m. the Bluejays meet the Raiders and at 11 a.m. the All-Stars tackle the Cougars.

## City Oks \$200 Contract For Harbor Fire Protection

Fire protection for the Bi-State Development Agency harbor on the Chair of Roads could be provided by Granite City under a \$200-a-year contract approved Monday night by the city council.

The contract was made on a study being made to determine a legal method to be used free of other alarms answered by the city department outside the city limits.

Alderman Johnson, chairman of the Fire committee, said the contract with Bi-State would be beneficial to the city in negotiations over an agreement. Bi-State also is to pay insurance to cover any injury sustained by firemen or damage to city equipment, and the department is to be dispatched there when called only at the discretion of the fire chief.

Placed on file was a study by the Illinois Municipal League which shows a rate of \$320-a-year are to be increased 20 to 25% starting Jan. 1. The council decided to include the new figure in next year's budget.

Referring to the Planning committee was notification from the City Plan Commission of per-

mission for a zoning change from R-5 residential to C-1 commercial for Dr. John Vasloff at 2001 Cleveland Blvd.

Also under study by the committee is a proposal to update the city's master growth plan.

Alderman Partney, chairman, said federal funds would be available and he would submit a proposal next week.

Placed on first reading was an ordinance for the city to accept from the 50-foot right-of-way for Marquette road extension north of O'Hare avenue. The city already has a 30-foot strip for the highway, which would include the park district's new playground and the site of a proposed new grade school. The street would be over 1000 feet long.

An ordinance establishing a 15-foot drainage easement in the first addition to Shamrock Gardens subdivision, submitted by the developer, was placed on first reading. As submitted, the ordinance specified a 10-foot easement.

The city's public engineer is to survey for drainage needs between Villa drive and Willow Avenue. Earl Bloomquist, city engineer, was not available for comment.

Parking Zones, Stop Signs Approved by GC Council

Traffic control and parking zone ordinances are proposed to relieve two last zones which are to replace ones taken up during Monday night's Granite City council meeting.

Adopted were ordinances setting up two-hour parking limits on the east side of the 1700 block of State street and on the west side of Walnut street from St. Louis avenue to Niedringhaus Avenue.

Repealed was an ordinance establishing a no-parking zone on the west of Terrace lane extending 80 feet north of Johnson road.

Also approved was an ordinance placing stop signs at Edgewood and at the 1700 block of State, and a request was submitted for an ordinance to be prepared to place stop signs in North Granite on the corner of Drive at Nameoki drive and Franklin avenue at Nameoki drive.

Need Street Signs

Alderman Johnson requested street signs be placed to designate Sinclair avenue at Clark drive and Nameoki drive. He pointed out the street location

GC Plans to Resurface 2600 Block of Benton

Resolution to include the 2600 block of Benton street in the sales and expenditure project for resurfacing of other blocks of concrete pavement is to be presented to the city council during a regular meeting session.

The action will permit sale of anticipation warrants against the general assistance fund only for a maximum of \$100,000. The warrants will be issued against the township's \$31,000 tax levy for the 1964 year for general assistance.

The warrants are to be used for the money developed.

The board agreed to proceed with arrests of violators of parking regulations, particularly those who have been cited.

Board Member Robert Strackeljohn said that several persons have told him that their regulations could not be enforced because the parking regulations were illegal. Nick Vasloff, board attorney, said it is his opinion the parking regulations are not illegal and that warrants should be issued against persons who consistently violate the regulations.

Voting against the purchase were Partney, Rutledge, Boyd and Sternberg. Action on the long bill will be referred to a committee who will be asked to go ahead with objection raised to the specifications limiting bidding to the one type of machine.

It was pointed out by Street Supt. W. W. Wadsworth the machine was the type best-suited to the department's needs.

Alderman Walter Nunn, chairman of the Street and Alley committee, recommended that the city submit lists of concrete streets in their wards which need sealing.

"We plan to start on such a program as early as possible next year."

## **Yugoslav Biochemist Arriving for Visit**

Dr. Slavica Smit Matacic, a young Yugoslav woman bio-chemist from behind the Iron Curtain, will arrive here today for a visit with her aunt, Mrs. Rose Nagy, 1737 Maple street, and cousin, Alec Nagy, 1805 Venice avenue.

Dr. Mataacic, a graduate of Zagreb University in her home town, has been utilizing the facilities of Haverford College in Haverford, Pa., for research work on enzymes and blood clotting.

For the next two years she will be working at the college where she is assistant to Dr. Ariel G. Loewy, professor of biology, on a project backed by the National Heart Institute.

the National Heart Institute, which is attempting to answer the question of how a specific enzyme "vulcanizes" blood clots. The fact that a Yugoslav bio-chemist is working in the United States is not surprising since, according to Dr. Loewy, Yugoslav

according to Dr. Loewy. Yugoslavia has an active program of sending its research scholars to Western Europe and the U. S. for further training.

and 1971. Locally organized, the researcher is working at a small, undergraduate college where teaching and research with undergraduates is emphasized. Zagreb University in her home land has about 10,000 students and is Yugoslavia's second

derals and is Yugoslavia's second largest school. Dr. Matacic, who once hoped to study medicine, will return to Yugoslavia in two years to continue her research at the Institute Rudjer Biskovic. She hopes to take back not only greater knowledge of the chemistry of proteins but an insight into American society.

## Scout Council to Honor Sponsoring Institutions

Tickets are being sold through the Boy Scout office in Granite City for the annual Cahokia Mound Council business meeting, a dinner to be held at Concordia Lutheran Church here at 6:30 p.m., Thursday, Jan. 28. Institutional representatives, council members-at-large and executive board members will attend.

Sponsoring institutions with the longest continuous records of service to scouting will be honored. Appreciation certificates will be presented to community leaders and scouts, and annual progress reports will stress the theme, "You made the difference."

Talks will be given by scouts chosen as the council's Nathan Hale essay award winners by the Freedoms Foundation. The evening also will include election of officers, council members, board members and national council representatives.

**Mrs. Madge Lord, 52  
Heart Attack Victim**

Mrs. Madge Logg, 52, of Granite City, was dead at 8:30 a.m. Saturday, May 2, at her home at 321 E. 10th Street, Granite City. She was stricken in her home with an apparent heart attack. She had been in failing health for the past year.

Madge Logg was born in Hinsdale, Ill., and had been a resident of Granite City for 20 years.

She was preceded in death by her husband, Charles Logg; two sons, Harrison Gene Hooker of Granite City and Robert Hooker of South Bend, Ind.; a daughter, Mary Bessie (Patterson) of Granite City; three brothers, John, Charles and Edward Newman; Granite City; and William Newman, Republic, Ill.

Also preceding her in death were a sister, Mrs. Ruth Logg, and a brother, Harry Logg, both of Granite City.

Funeral arrangements were listed in the obituary column elsewhere in this issue.

### Shoplifting Charge

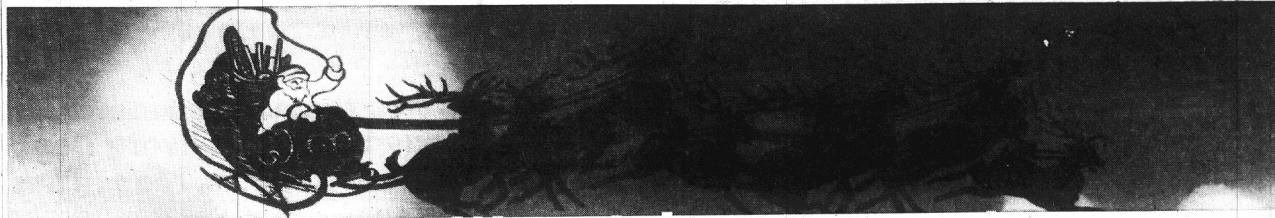

Ella Mae Vaughn, 18, of 116 Market street, Venice, was arrested by Granite City police at 2 p.m. Monday on 19th street on a theft charge for shoplifting from Woolworth's store, 19th and Edison avenue. She was charged with theft of less than \$150 and was released on \$50 cash bail pending a hearing set for Jan.

**Coat Taken from Loc**

Mrs. Mary Bridick, 2410 Brondley avenue, reported at 4 p.m. Monday that her son's plaid coat and hood valued at \$30 was taken from his locker at Granville City high school last Friday.

## Woman Loses Purse

wardsville road, reported at p.m. Monday that she lost her black purse in the downtown district. It contained \$10, small radio and papers.

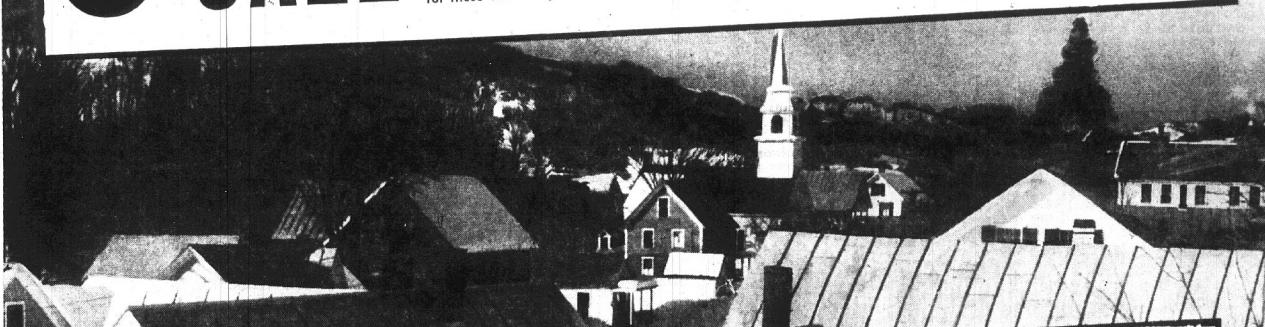

**WHILE YOU ARE ASLEEP TOMORROW NIGHT  
WE WILL BE MARKING AND CUTTING PRICES ON LEFTOVERS  
AFTER THE BIGGEST CHRISTMAS SALE IN OUR HISTORY!**

**ONE DAY ONLY - SAT., DEC. 26th - 9:30 A.M to 5:30 P.M.**

# 8 HOUR SALE

**Drastic Markdowns in Every Department! Just a Few Listed Below.**  
**Hundreds More in the Store. It's a Savings Spectacular so Come Early.**

It's been a lovely year and we hope our customers enjoy the forthcoming holidays. We'll relax and rest up after the greatest Christmas Sale in our history. But tomorrow night it's back to business! In every business there are always a few leftovers and odds-and-ends but after a sale such as we have just ended our store is loaded with one-of-a-kind, leftovers and odd pieces. This merchandise must be cleaned out before the end of the year inventory so that our stock can be balanced and we can have room for new merchandise. At this point we are not interested in cost or the regular selling price of merchandise. Thanks to your support we have already reached our goal for the year and any extra profit would only have to be paid out in taxes. Now the important thing is to balance our inventory and the only way to do that is to make the price so appealing that the Bargain Hunters will come flocking. This is what we plan to do starting Saturday with a **ONE DAY 8-HOUR CLEARANCE** of all Christmas Leftovers. Remember, if you're really looking for Bargain Buys, the time is Saturday from 9:30 a.m. to 5:30 p.m. of Fredman Bros. for these and many more savings like them.

**FREDMAN BROS. Furniture**

## 'Grassroots' Government Explained in GC Booklet

A 64-page booklet outlining the "grassroots" fundamentals of municipal government operation is scheduled to go on check in Granite City, Illinois, this month, a project that started more than six months ago and received city council sanction for the first printing.

Contents of the booklet and its publication as a means of informing the public that its city government is a government "by the people and for the people" can be summarized briefly. The conduct is the idea of Mrs. Gabrielle Betine, Seventh Ward alderwoman.

She said the questions and answers in the booklet are the same ones that best her when she first was elected to the city council seven and a half years ago.

Priced at \$2, the booklet, entitled "Betine's Profile by the People of Granite City, Ill.," will be sold in the various outlets, at \$2 per copy.

Copies will be available through the alderwoman at the city hall, in Graham's book store, several churches which have reserved copies for sale through their own groups, and at Midtown Pharmacy on Nameoki Road. One thousand copies have been authorized for the first printing by Tri-City Printing Co. Mrs. Betine said other sales outlets will be listed later.

Pointing out that she campaigned for election on a slogan of "for a more informed people and a more informed government," she said that after her election "I was impressed by my own ignorance" of the many points of government operation with which the average person is seldom acquainted.

"I tried my best to impress people with what was going on, and even then they should try to interpret what I said," she said. "People did not realize that when they read about the city, it is referring to the city council."

She began gathering pertinent points of information, Mrs. Betine explained, and conceived the idea of combining them into a booklet for public consumption about a year ago.

After preliminary work on the publication, she explained, she took a draft of the plan to the city council, and after her plan for publication and received unanimous consent of the council to go ahead.

As a result, the printing, which

will run about \$2.20 per copy total cost, will be financed out of the city's contingency fund. Money collected from sale of the booklet will be used to offset the cost to the city of printing the booklet and providing an informative brochure on the city's government will amount to 20 cents per copy, if sold at all.

Mrs. Betine said that as she prepared material for the booklet, she emphasized her points of information in what she terms

"check point indicators." At first she said, there were 30 of them. These later grew to 60, then to 90, and by the time the copy reached the printer there were 100 check point indicators. Material for the booklet was based on experiences and investigation into what have been the check points of a ballot, reason to call an alderman, how to make changes in a zoning ordinance, how ordinances are passed through first and second readings, reconsideration votes, how to overcome undesirable ordinances and general political information.

A feature of the booklet will be an accumulation of maps of ward and precinct boundaries to explain election procedure, and

photographs of officials from the city to the state level. A dedication to John F. Kennedy is included.

The booklet will set out such

### Services in Alton

For D. T. Lawrence, 56

Services in Alton for David T. Lawrence, 56, of Cottage Hills, who died Saturday at Alton Memorial Hospital. He was the son of Mrs. Nora Phillips of Granite City.

Mr. Lawrence, a mechanic at Mississippi Lime Co., had been married 30 years. He is survived by his wife, Verna, two married daughters, a son, two brothers, three sisters, three stepsons, a stepdaughter and 25 grandchildren.

### MFT for Nameoki Twp.

Meeting for the first allotment for townships announced by the state department of public works include Nameoki township allotments of \$1169 for November, \$1189 for November. The allotment was made at Edwardsville.

Christian Healing Theme

Christian healing will be the

theme of a Bible lesson to be

presented in all Christian Science churches Sunday, including First Church of Christian Scientists, 566 Madison Avenue. The subject will be "Christian Science."

## Each Year Christmas Comes ....At The Proper Time

"When the proper time came, God sent His Son, born of a human mother, that He might lead us into becoming, by adoption, true sons of God." Galatians 4:4 (Phillips Translation)

WHEN THE PROPER TIME CAME....

A heart of compassionate love was born in the days of extreme cruelty.

Come, O Child of Bethlehem; to save our broken homes; our divided world.

A Prince of Peace came direct from God in a day of cold and hot wars.

Come, O Child of Bethlehem, and restore peace to South Viet Nam, to the Congo and to warring factions within our own nation.

A rider who was to rule his people inwardly through love was in the days when tyrants walked the earth and made slaves of their subjects.

Come, O Child of Bethlehem, and deliver us from all types of allegiance that are dependent upon force, whether physical or psychological.

A creative teacher came in the days when men knew only to repeat clichés of the past.

Come, O Child of Bethlehem, and teach us new solutions to the problems of automation and urbanization, of morals and slums, of drop-outs in school and church, of poverty amidst plenty, of safety on the highways and security for the aging.

A God who had the power to make His Life conform to His Teachings when all other gods had failed.

Come, O Child of Bethlehem, and lead me into becoming, by adoption, a true Son of God. Fill me this Christmas with a heart of compassionate love, peace, new insights for new problems, and the inner power to make my life conform to my ideals.... for the proper time has come — Now.

## The FORUM

All letters subject to condensation and grammatical changes. Letters with obvious mistakes or lacking in good taste or fair play will be rejected or edited.

### POLITICAL SELECTION OF SCHOOL EMPLOYEES

To the Editor:

Why does the Granite City school board keep saying that "politics" are not involved in the hiring of cafeteria workers when they definitely are as proved last week by the hiring of nine cafeteria workers?

What, if politics are not involved, were eight of the girls hired by application seniority and the ninth selected from the remaining three?

I am sure there were many substitutes before this one listed as being in 25th place, who had their applications before April 1963 and were also used as a "substitute" on a "full-time" basis.

If the school board wants the people to believe that "politics" are not involved, it must keep the hiring 100% application seniority and drop the ninth on the "middle of the dock."

Why not take the cafeteria out of the hands of the school board and give it back to the administration, which knows the capacity of the workers?

A LOCAL RESIDENT

### NEGOTIATION NOT THE ANSWER IN VIETNAM

To the Editor:

There is much falsehooding in the air tonight as new rounds of negotiations with Gromyko by Dean Rusk seek to embroil us in another war.

Here are the boldfaced scenes going on: Rusk has indicated U. S. willingness to urge present South Vietnamese leaders to accept Viet Cong Communists into their government, despite their record of downing their own and supporting a "unity administration."

What does it mean? On the surface, it sounds good, but good words don't lay down their arms and give them back to the administration, which knows the capacity of the workers?

A LOCAL RESIDENT

Forgotten the lesson of China? It goes like this: We put up a "front" organization—one neutral (one that word) and one pro-Western. And everyone lives happily ever after. Everyone? Korea? Is it so long ago? What went wrong?

Neogmatist. Trust. Confidence. What did we ever get in return but a knife in our backs?

What of Laos? Oh boy, what a Laos! It was all the mystery, North or South Vietnam. Now, even North Vietnam is mentioned; we have given that to the Reds.

I know. President Johnson would tolerate this situation. What happens if South Vietnam falls? All of Asia falls with her.

That is why we must defend her. She must not fall, for if she falls, the rest of Asia falls.

A new \$313,000 Granite City post office was dedicated, and the school district began studying possible uses of the former post office, which it had acquired.

These thoughts were on a Granite City band ensemble which made its second tour of Mexico in two days.

Contrary to Turnout:

Thirty-three citizens attended the Granite City school board meeting on Oct. 15.

Efforts were made to have local citizens and such historic sites as the Chain of Rocks, canals, Lewis and Clark memorial park, and Indian mounds identified, though none on new highways built.

Business Vitality:

A national survey showed Granite City has a high rate of strength, vitality, on the strength of business, average earnings, greater average spending and more rapid growth; net income was listed as \$7565 per capita.

A new Madison county museum was completed, and "Music Under the Stars" outdoor concerts continued.

A record Granite City municipal budget of \$192,250 was adopted.

Merge of tuberculosis sanatoriums was proposed. Granite City and Madison county will merge a medical facility more than \$1 million in sewage treatment plant bonds; the federal government had a \$494,000 grant to aid in constructing the treatment plant.

Fern C. Goewert was named manager of the Tri-Cities Chamber of Commerce.

Port Bond Issue:

Madison county commissioners had a court ruling that railroad assessments have been less than 100% of value; some of the railroads continue yearly tax objections.

Two other commissioners filed suit for the city to take over the Port District storage tanks and railroad facilities which were announced.

The new assistant to be named by the mayor for one-year appointments is to provide a \$1000 yearly bond.

Local citizens voiced objections pointing out the city already had hired a private attorney to handle "priority" demands.

### Best Possible Yule Gift For

#### Quad-Cities — 3300 New Jobs

What Christmas means?

We don't know the answer for each Quad-Cityan, but the local employment report for the past year represents one of the best possible Christmas presents for this community.

Headed by gains of 750 at General Steel Industries, 700 at A. O. Smith Corp., 550 at American Steel Foundries and 450 at Granite City Steel Co., the number working at major local firms has increased by nearly 3300 during the past 12 months. These jobs were added to an already substantial work force which before Christmas 1963 totaled 16,000.

More than 1000 new jobs expand the Quad-City population, generate a host of related economic activity and aid in attracting satellite and competing companies, further stimulating business and growth. Diversification is continuing, not only through new industry but through the development of new product lines by existing firms.

It appears the time is at hand for the Quad-Cities' obviously great potential to begin transforming itself into reality at an accelerated pace. If this is the case, many more happy holiday seasons await present and future local families.

### Modern Answers For Modern Problems

Is it Santa overhead with his reindeer? Could be, but it might also be Dr. Oberly Lay, speeding from hospital to hospital in his helicopter.

Recalling the dedicated travel of pioneer physicians who treated patients by means of dogsleds, boats and jungle trails, the local surgeon has found an equally effective way to fight through the modern wilderness (auto traffic).

### Many Changes In County

#### Highway Department

The 33½-year span during which F. J. Wade of Granite City has been associated with the Madison county highway department is illustrated by the contract in facsimile.

In 1932, the department occupied "twoебholes" in the courthouse and its entire list of working tools consisted of "a tractor, two blades and a few road drags," with no place to house the equipment. Now there is a modern garage and a full complement of road building and maintenance machinery.

Finally sharp contrasts in highway construction and repair techniques—and in the number and quality of roadways that serve the mushrooming Madison county population—reflect the progress made by the department.

### Tourism, New GC Post Office, Old Post Office In Spotlight

Role of the Quad-Cities as an ideal location for regional meetings and conventions was being cited as 1964 entered its second half. A count showed upwards of 1000 meetings.

A new \$313,000 Granite City post office was dedicated, and the school district began studying possible uses of the former post office, which it had acquired.

These thoughts were on a Granite City band ensemble which made its second tour of Mexico in two days.

Contrary to Turnout:

Thirty-three citizens attended the Granite City school board meeting on Oct. 15.

Efforts were made to have local citizens and such historic sites as the Chain of Rocks, canals, Lewis and Clark memorial park, and Indian mounds identified, though none on new highways built.

### Simplicity, Complexity Of The Christmas Message

"Fear not, for behold, I bring you good tidings of great joy...."

As Christmas 1964 arrives in the Quad-Cities, thoughts go back to the star which led men to a Bethlehem manger many centuries ago. Simultaneously, with the holiday season, tidings of a new Earth—that of a star—are reaching the earth.

It is new, and yet for five billion years the news has been racing toward us at 186,000 miles a second in the form of light waves, conveying word of a gigantic explosion in outer space long ago.

Pictures being taken with the 200-inch-diameter telescope on Mount Palomar in California are telling the story of the creation of one of the most puzzling of all heavenly bodies. It consists of quasi-stellar, an entirely new source and kind of energy that does not follow the usual laws of physical forces. Trillions of times brighter than our sun, the QSFs first became visible with a red filter but now are visible in blue light, signifying the height of the explosion.

Aware that our sun is one of 200 billion stars in a single galaxy, and that there are billions of other galaxies, Quad-Cityans cannot fully comprehend the size and scope of the universe. But they can be impressed by the size, the spirit of brotherly interest, when they receive large boxes of fruit, candy and nuts, a remembrance from the company for their faithful and efficient service.

Amidst such mammoth complexities, the simple story of Christmas stands out in bold relief — "peace... good will among men."

### Slow Implementation Of School

#### Building Safety Code Was Wise

It was announced last week that state approval had been given to the first 19 school districts asking to levy non-referendum building fund rate increases. But a development this week indicates that Quad-City districts were wise in adopting a "go slow" approach toward implementing the new school fire safety code.

The code, with an extra five-cent tax rate providing all of the funds required detailed surveys and then sweeping structural alterations to achieve greater safety in each. Local districts made a start toward complying but proceeded deliberately rather than hastily, in view of mounting pressure for legislative action to amend the requirements.

This week's court ruling of unconstitutionality, on the basis that delegating the setting of rules to the state school superintendent "invaded the power of the legislature," may afford a pause during which the entire subject of school safety needs can be reviewed.

### Only 52 of 102 Counties

#### Will Have House Members

Speculation that at-large state representative voting would leave many areas unrepresented has been borne out. A study has shown that the 1963 Illinois House will include legislators from 52 counties, but that the other 50 counties will have no resident House members.

No one doubts that the 177-man body will attempt to provide representation, since each winner owes his election to all parts of Illinois. But this will be done to a minimum, and the fact that one legislator has specific responsibility for any particular section of the state.

The situation is still another reason why the state legislature must succeed in devising new House districts early in its January-June session.

Don't believe all you hear, unless it's a police siren, fire truck or railroad train.

Dr. SIMS SAYS...  
SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

### CARBON MONOXIDE— WINTERTIME KILLER

Despite constant warnings, many homes become carbon monoxide traps every winter, move him into fresh air, keep him warm and prevent mouth-and-nose breathing. As soon as possible, call the physician.

They include hunting parties in woodchop houses, motorists who warm up their cars in closed garages, and people who sit or sleep in parked cars with the engine running.

What makes carbon monoxide such a deadly, persistent killer? The answer lies in its physical characteristics, e.g., rather lack of odor.

Carbon monoxide poisoning experiences a tightness about the forehead, headache and dizziness. He'll feel tired and his eyes will water.

Slow to wake, a numbing and a fluttering of the heart, followed by unconsciousness and then death.

Death results when the human carbon monoxide replaces the oxygen in the red blood cells, depriving the body tissues of needed oxygen.

The local plant, after the unzoned fad had reached a peak of 45% of U. S. cars manufactured in 1962.

A state ban on open dumping and burning of garbage was to effect, but it failed enforcement.

Madison bought a 65-acre area for the proposed Club in Illinois, and Mrs. Klein and Mrs. A. E. Krumsiek, was in charge of the program, which was to be conducted with cards led by Mrs. Krumsiek. Mrs. English accompanied the group at the piano.

Mrs. R. D. Minnick told the Christmas story, "In Clean Cities," while Mrs. Walter Klein sang "The Star Spangled Banner." The music committee, Mrs. Robert English, Mrs. J. A. Klein and Mrs. A. E. Krumsiek, was in charge of the program, which was to be conducted with cards led by Mrs. Krumsiek. Mrs. English accompanied the group at the piano.

The appointment runs to next April. Dr. Bob Davis replaces Louis Reber, Press-Record shop foreman, who resigned.

The appointment runs to next April. Dr. Bob Davis replaces Louis Reber, Press-Record shop foreman, who resigned.

Mrs. Emil Mueller was in charge of games, and gifts were distributed after the program.

Mrs. Paul Kleindinst, Mrs.

### Freedom's Meaning,

Informed, intelligent and self-reliant men of every race choose democratic freedom because freedom's basic human rights conform completely with the standards and ideals which men of good live by in their contacts with other men and in their relations with their government.

(c) Freedoms Crusade

DECEMBER 25, 1914

Fifteen hundred men employed by the Commonwealth Steel Company yesterday were given additional pay for working overtime for themselves in the basement of the church.

Three hundred men and their wives and children began excavating a room next to the basement furnace room. They were assisted materially by Phil Propes, who brought a number of laborers from the Commonwealth Steel Foundry. Enough space was excavated to provide for themselves a large room.

Mr. and Mrs. Jeremiah Odum, who have a large family, will have a merry Christmas tomorrow, when all their children will be home for the day and a family reunion will be held.

George and Ethel Peacock of Granite City, W. I., will be married Saturday. Mr. and Mrs. W. J. Odum of East St. Louis and Mr. and Mrs. Alvin Odum of Granite City will be the bridegroom's parents.

Dee Gould, bookkeeping teacher at Granite City high school, departed for Grand Rapids, Mich., where he will spend the holidays with friends.

The third annual Establishment of Granite City, which will be rendered Friday afternoon at Granite City high school auditorium, and which will be completed Friday evening, gives everyone a sense of being one of the most successful ventures of this kind ever undertaken by the members.

Theatre has been set unusually popular by many among the various choruses of the city as to who will capture the principal cash prizes and at least three were suggested for improvement, event.

Sixty thieves have invaded the city jail. The ornate Christmas tree decorated with lights, tinsel and ornaments which has adorned the lobby of the main floor, today is a mass of the torn and broken pieces.

Mr. Russell F. Harrison, son of Mr. and Mrs. Evans Harrison, 2849 Madison, is attending the National YMCA meeting in Chicago, but was unable to reach him.

Both organizations selected him to represent them at the Congress, which is the largest organization in all parts of the country. The Congress from high school, colleges and civic organizations in all parts of the country. The Congress was convened yesterday morning and will remain in session for the rest of the week.

Sarah Jane McEvans Tent 90, daughter of Union Veterans, held a annual dinner and turkey dinner at the K. P. Hall. Gifts were exchanged. Miss Evelyn Beazley, Mrs. Mary Ward and Mrs. Ellen Adams served the arrangements committee.

Mr. and Mrs. Walter Sons and son, Jack, of Denver, Colo., are in Madison over the holidays with their parents, Mr. and Mrs. O. S. Schooley and Mr. and Mrs. Zentgraf.

A long-range field goal in the 1963 football season, the Wood River 20-19 victory over Granite City in a Southwest Illinois Conference game played at the Wood River before a crowd of 1500. This put the Oilers in a first-place tie with Collinsville.

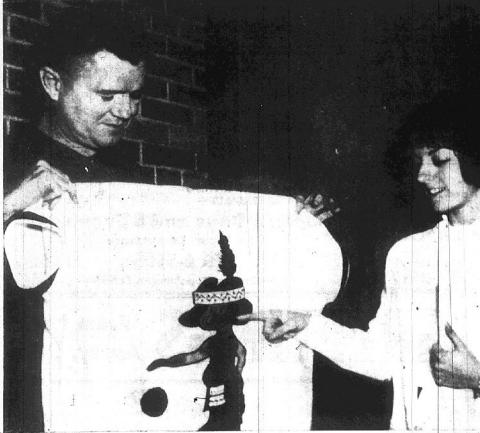

Mr. and Mrs. William Wood and wife, Linda Goshorn, 2104 Benton street have as a guest during the holidays their niece, Miss May Smith of Fort Wayne, Ind.

Mr. and Mrs. Howard Strain and Mr. and Mrs. Bramley Madison were at Birch Tree, Mo., on Christmas Day visiting their piano.

Lyell Edward Tatsumi, son of Mr. and Mrs. J. Tatsumi of Madison, came to the city from the Missouri State Teachers College, Springfield, to spend the Christmas and New Year holidays with his parents.

# Press-Record YOUTH FOCUS

ADDING COLOR to the Granite City high school basketball warm-up jackets this season is this emblem—a very young Warrior dribbling a basketball. It was designed by student Lynn Shepard (right) and enthusiastically approved by coach Andy Sullivan, who holds one of the jackets.

## 29 Girl Scouts Named For Senior Roundup

Twenty-nine Girl Scouts from the River Bluffs council have been selected to attend the senior roundup at Coeur d'Alene, Idaho, from April 17-21. The girls who were selected as their underlies are: Mrs. Ralph Hill jr., chairman of the roundup committee; announced.

The roundup will participate in all of the training and will be sent to an alternate camping event if not determined.

Selected from Quad-Cities District 4 are: Alta Marie Bellinger, Marilyn L. Bongard, Marie Greve, Lois Ann Kueker, Christina Lee Elizabeth McDonald, Diana Thompson, and Cathy Ze Schiech, alternate.

At the roundup, the girls will live for 12 days in a tent city.

There are 800 girl inhabitants and an equal number of adults from 40 states and more than 20 foreign countries.

Twenty-five campers and alternates are to meet with Miss Dorothy Hause, roundup director, at 9:30 a.m. to 2:30 p.m. Jan. 2, at Camp Lakota, Glen Carbon.

### \$6000 Granted SUI

The Federal Intermediate Credit Bank of St. Louis and the Farm Credit Administration, Washington, D. C., have awarded \$6000 to Southern Illinois University to help William Herr, a graduate of the university, in a farm management research project. He will study "Problems in Financing Farming Adjustments."

May Christmas bring  
You and yours abundant joy, last the whole year through, and bless  
you with every good thing.

Mr. and Mrs. Von Dee Cruse  
and Family

How Silently  
the Wondrous Gift is Given...

Surely the measure of Christmas must be found in the simplicity of the magnificent gifts of the One Great Giver. Peace, a baby's smile, water, air, friendship—life itself is given to us to use and enjoy. How silently the wondrous gifts are given.
